CBR4SC SL

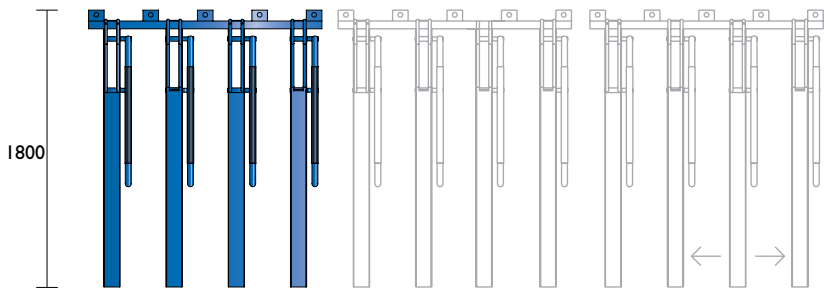

CBR4SC SL
Hot Dipped Galvanised
SCBR4SC SL
Stainless Steel

Space can be tight in busy bicycle parking stations so the CBR4SC SL is designed to slide bicycles apart giving cyclists better access, more room to move and allowing easier locking of bicycles.

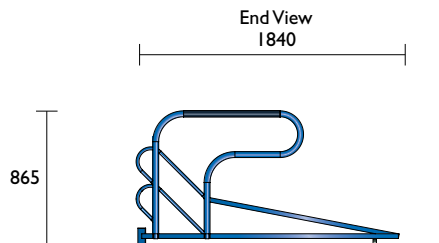

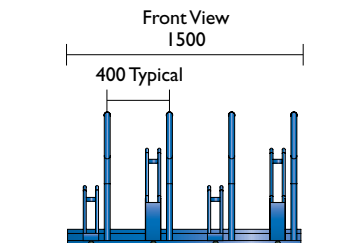

Top View

Multiple rack installation

Rack slides to allow easy access to bicycles

Note: CBR4SC SL needs to be on perfectly flat ground or the bikes will slide down hill on rollers.
