

Bicycle Racks > Horizontal

CBR10GS Dual Height

Double Height Storage

The CBR10GS is a cost effective dual height bike rack that accommodates parking for 10 bicycles. Staggered heights allow bicycles to be packed closer together without clashing of handlebars.

PLEASE NOTE:
This product comes in galvanised finish as standard. However, it can be powder coated in a range of colours at an additional cost to suit requirements.

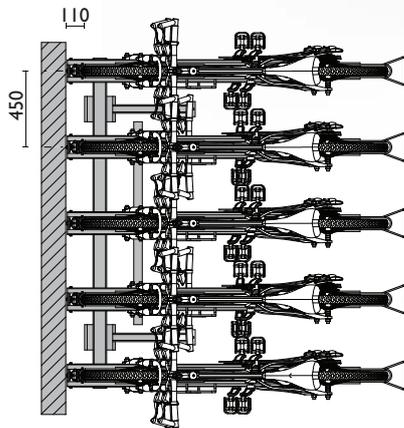

10 BIKE PARKING

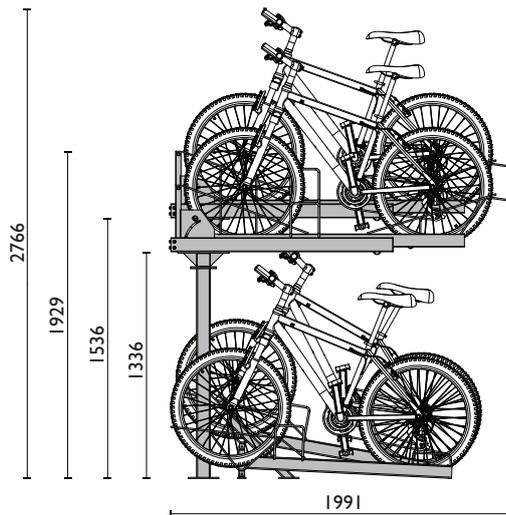

Supplied in knock down kit form for easy bolt-together assembly on site.

Each CBR10GS rack parks 10 bicycles
