

SCOOTER RACKS

Communities across the country are encouraging children to adopt healthier lifestyles which has seen an increase in children riding their scooters and skateboards to schools and sporting venues.

As with bicycles, there is a need to provide storage and security for these mini modes of transport while they are left unattended, often all day.

Securabike has designed and developed a range of products that are suitable for locations such as schools and shopping centres, as well as amusement and sporting venues.

Advantages

- Safely secures scooters
- Keeps areas free from clutter
- Encourages children to exercise

Applications

- Schools
- Swimming pools
- Libraries
- Shopping plazas
- Sport venues.
